

George Fowler Tennis Award

George Fowler was a tennis enthusiast who worked tirelessly for 28 years as a volunteer to promote North York tennis at the club, city and provincial levels. He was particularly interested in getting children and youth involved in the sport of tennis; therefore it is appropriate that The George Fowler Tennis Award has been created to honour his memory.

The award consists of 1 week of tennis lessons for 10 individuals at the N.Y.T.A. Junior Tennis Academy during the summer of 2015. To be considered, an application (can also be found on the N.Y.T.A. website) must be completed and forwarded to Dave Duguay at the North York office by May 15th.
