JUNIOR TENNIS ACADEMY

The NYTA with over 35 years of experience has become the leader in junior tennis development in Canada. The NYTA atmosphere is fun filled yet goal oriented. With over 500 kids participating in the academy the program has won awards from Tennis Canada and Ontario Tennis for every level of tennis. The NYTA has been designated by Tennis Canada and the Ontario Tennis Association as a high performance tennis development center. All three locations are centrally located in North York. The NYTA offers tennis programming year round to our students with after school programs during the winter, fall and spring and half and full day programs for the summer. **Winter tennis lessons will be held at all three locations** in a climate-controlled bubble, therefore extreme heat and cold temperatures will no longer be a factor.

NYTA DIRECTOR OF COACHING TYLER PRESCOTT Head Coach and Assistant Manager

In order for the above mentioned environment to be productive there has to be a strong leader with proven success record and to make sure that every single element is working as it should. That person is Tyler Prescott.

Tyler is one of not so many coaches in Canada who consistently develops tennis players from playing OTA events to travelling all over the world and winning top tier ITF events.

In 2019/2020's Roger's Cup, Tennis Canada awarded Tyler with two awards - one award for coaching two players to national championship for the year and the second

award for Coaching Excellence in Canada. No other coach in the country had taken home two awards that year. He was also the head coach of Team Ontario which, for the first time in 8 years won the Gold medal at the prestigious Canada Games 2013, with players who currently play on WTA and ATP tours. In 2017 Tyler was able to win team gold again, in addition to 7 other medals at the event. He won the Coaching Excellence award in 2012 and 2015 for developing a national champion.

With over 35 years of experience developing junior players Tyler understands and implements necessary priorities for every stage of development. In this way your children learn only what's important for their level. This helps tremendously to speed up the progress and save time that simply cannot be wasted. Tyler's passion goes beyond coaching tennis players. On a yearly basis he is involved in professional development courses with Tennis Canada. For many years Tyler facilitated the Coach 2 certifications. Tyler has completed his

4 and is now a candidate for the Coach 5. He was also the U18 national coach for the OTA.
